**Dear Provider**

This serves to confirm that MEDIPOS has been put under curatorship. And we hereby wish to assure you that this will not impact on the service that you receive from the Scheme. Claims will be paid, and the Scheme will continue to provide authorisations for treatment. I would therefore ask that you continue to treat our members and help to ensure full support during this difficult time. We want to ensure that the impact to all our member is minimised, with as little disruption as possible, and to know that they still have access to their healthcare benefits as required. Should you have any questions in this regard, please feel free to contact me via email to: [curator@mediposms.co.za](mailto:curator@mediposms.co.za).

Yours sincerely

**Justice Kudumela**
